

Every home has a private park
up to 1250 sq. ft.

Habitat
VENTURES

In partnership
with Praagna Fund

Habitat Crest is a unique luxury villament that combines the best features of villas and apartments. Each villament has an exclusive green space up to 1250 sq. ft. Create your own kitchen garden, zen zone, pet and play area or host barbecue parties. Three parking slots are provided right beneath your home. With just five homes in each tower, you live amidst a select few. Honestly, a great value proposition that's hard to beat - so visit the model villament today.

Habitat Crest

Villaments with private parks at Whitefield

- Located opp Zuri, in the middle of CBD of Whitefield
- 3/4 bedroom homes of sizes 2850 to 3350 sq. ft.
- About one acre lush green central courtyard with amphitheatre
- Swanky clubhouse with terrace infinity pool.

PRIVATE PARK

Parks are in

Each villament at Habitat Crest has a green space of up to 1250 sqft, enabling you to create a kitchen garden, play area, pet zone or host barbecue parties. Space so big, that it is aptly called as a park.

Why is Habitat Crest called as a villament?

Habitat Crest belongs to a unique genre of homes called villaments that combines the best living attributes of both villas and apartments.

Exclusive and private

With just five homes in each tower, you have the privilege of being amidst a select few. Parking space for three cars (and more) right beneath your home, enables quick and easy access to your car.

Lifestyle statement

- Habitat Crest is a homogenous neighbourhood of spacious & luxurious 3 and 4 bedroom villaments.
- Specially designed zones for each age group from toddlers to teenagers and elderly.
- A large central courtyard of one acre is a totally vehicle-free zone and is suffused with an assortment of flowering plants, bushes and trees.
- Swanky clubhouse with an infinity swimming pool, toddlers' pool, banquet area, gym, aerobics room, steam, sauna & indoor recreation areas.
- Servant's quarter with an attached toilet for each home.

Located in the CBD of Whitefield

Located smack in the middle of one of the largest technology clusters of India and just 12 kms from MG Road, Bangalore.
